**DECISION ON ATTORNEY'S FEES AND COSTS<sup>1</sup>**

On September 7, 2018, Paul Rehbein, ("Petitioner"), filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the "Vaccine Act"). Petitioner alleges that he suffered a shoulder injury related to vaccine administration ("SIRVA") as a result of a pneumococcal conjugate Prevnar 13 ("PCV") vaccine administered on March 28, 2016. (Petition at 1). On September 11, 2019, a decision was issued awarding compensation to Petitioner based on the parties' stipulation. (ECF No. 27.)

fees and \$452.12 in costs). In accordance with General Order #9, counsel for Petitioner's filed a signed statement representing Petitioner has incurred no out-of-pocket expenses. (*Id.* at 4). Respondent reacted to the motion on November 6, 2019 indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case and defers to the Court's discretion to determine the amount to be awarded. (ECF No. 32). By electronic correspondence on November 7, 2019, counsel for Petitioner notified the staff attorney's office that Petitioner did not intend to file a reply. See Informal Remark, November 8, 2019.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. § 15(e). Accordingly, I hereby GRANT Petitioner's motion for attorney's fees and costs. I award a total of **\$15,345.22** (representing \$14,893.10 in fees and \$452.12 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel. In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.<sup>3</sup>

**IT IS SO ORDERED.**
